Gladiolus

now the most popular flower in America. Millions are grown for cut flowers, shows and home gardens and to give away to friends, churches, etc. At little expense and care you can have a **gorgeous display in your garden.**

I know of **no** greater pleasure than going out early in the morning and seeing the new blooms that have opened up during the night. It is a pleasure I can't describe. You have to feel it yourself. A famous commercial grower who grows hundreds of acres told me that he didn't know why it was but there was something about glads that gets under your skin and gives you an elation that nothing else can.

Bulbs are fine this year. If not interested in keeping names of varieties one of our unlabelled collections on another page will give you a grand array of color. These collections contain many varieties neither you nor your neighbors have ever seen before.

Miniatures The popularity of these small flowers is increasing tremendously as the new varieties are much more beautiful than formerly. They create a sensation wherever shown.

CATALOG ?**

This folder goes to thousands of glad lovers who were sent my 1955 Catalog. But if your copy didn't come or has been misplaced, write me for another copy free. The offers in this folder are only a tiny part of the wonderful values in the catalog—so don't miss it!

Very Special New Variety Collection

This collection is not in my catalog. Wonderful varieties. Wonderful value.

The most popular introductions of last year with my best seller this year. Grow the best and be the only one in your neighborhood with these grand new varieties. They will create a sensation among your friends. Very few people have ever seen these fine creations.

Erin (490) My new green introduction. A fine variety in all ways and a big seller. Large bulbs are sold out but small ones will bloom. **\$2 each.** Will remain same price next year.

Harrisburger (552) The most sensational medium red of recent years. Highest rating red in all time symposium. **\$1 each.**

King Size The giant salmon 6 feet tall, in a class by itself. Can beat any variety in its class on the show bench. **\$1 each for large bulbs.**

Mountaineer (530) Early salmon, many open, huge blooms, will make a grand cut flower or good show flower for early shows. **\$1 each.**

Paisley (466) Most distinct mauve lavender. Very popular. **\$1 each.**

Prospector (410) The most utterly beautiful yellow with amber lip. **\$1 each.**

Starfire (433) Tall salmon with huge red blotch on cream ground. Have sent out several hundred of these bulbs and had quantities of fine letters about it. Everyone raves over it. The best selling new introduction I have had in many years. **\$1 each. One of each of the above, \$8. value for \$6.**

One Erin and a medium bulb of each of the others for \$5.

Notes on a Few Special Ones

A B COUTTS (516) The finest peachy buff in existence and one of the great varieties of all time. Tall straight, many blooms open and healthy.

L .75, M .50, S .25

ACE OF SPADES (454) The blackest glad. Tall straight, fine in everyway.

L .50, M .35, S .25, Bts. 8/.25

ADORABLE (406) Wonderful cream. I think the best. Many open.

L and M .35, 5 for \$1.50

BIRD OF PARADISE (506) Huge creamy pinkish apricot of unique form. Nothing like it.

\$3 each. A big seller.

CATHERINE BEATH (312) Deepest yellow. Grand variety.

L .50, M .35, S .25

CHARTREUSE (490) Everyone likes greenish colors in flowers. If you don't feel like paying \$2 each for **Erin** you can get **Chartreuse** for **80c.** It is one of my most popular varieties. I have bought the complete stock from the originator so can supply all your wants, but large bulbs are not too plentiful.

1 bulb and 10 bulblets \$1.

I can furnish small bulbs at **\$25. per 100** with not less than 25 at the 100 rate. Not listed in quantity in my catalog. Also bulblets at **\$35. per 1/2 pt.**

EDGEWOOD (461) A rose that will make a name for itself. Opens 8 ruffled blooms.

M .75, S .50, Bts. 10/1.00

FRANCESCA (566) Most gloriously beautiful light lavender pink.

L .60, M .40, S .25, Bts. 6/.25

GOLDEN BOY (312) Deep golden yellow, great show variety. 8 open.

L 1.50, M 1.00, S .60

HEADLINER (531) This is in the same color class as King Size. I think more beautiful than King Size and a potential winner but probably King Size can usually beat it on the show bench. Grow it for beauty and if you get it to a show where there is no King Size you may have a winner. At some shows the judges pay more attention to beauty than at others.

L \$2.00, M \$1.50, S \$1.00, no bulblets.

LOVABLE (532) An Australian giant lively salmon with 8 open. 6 feet tall.

L 1.00, M .75, S .50, Bts. 10/.75

PIRATE CHIEF (568) Deep lavender with purple blotch bordered cream. Huge recurved needlepoint blooms. Many open. Best in its color.

L 2.00, M 1.50, S 1.00, Bts. 2/.30, 10/1.20

PRINCE (485) Very outstanding deep red smoky. Somewhat like old Vagabond Prince but far better. Opens 10. Stock limited and will be for a year or two.

L 3.00, M 2.50, S 2.00

PROSPECTOR (410) Most utterly beautiful light yellow with amber lip—nothing like it. Can win for most beautiful in show.

L 1.00, M .75, S .50, Bts. 10/.75

RED FEATHER (552) A rather late deep red that will be tremendously popular. A real find.

M .50, S .25, Bts. 10/.20

ROXANA (400) One of the finest white varieties. Opens 10-11. Made a hit last season.

L 1.00, M .75, S .50, Bts. 10/.75

SALMAN'S SENSATION (578) This is the largest, tallest, strongest growing medium blue I know of. If you want blue at a medium price this

is it. Often 6 feet tall with 6 or more 6-7 inch blooms open.

L .75, M .50, S .25, Bts. 3/.25, 10/.75

I did not list this in quantity in my catalog but can furnish small sizes as follows:

#4 \$12. per 100, \$100. per 1000

#5 \$10. per 100, \$80. per 1000

#6 \$7. per 100, \$60. per 1000

TAN-GLO (480) Outstanding pastel tan smoky. Beautiful and can beat any smoky on the show table. 8-11 open.

L 2.50, M 2.00, S 1.50, Bts. .25

VANISLE (590) Gorgeously colored deep chocolate smoky. Huge blooms.

L 1.00, M .75, S .50, No bts.

MINIATURES are becoming more popular all the time. Better try a few. See the new ones on page 32 of my catalog, also Beni Kocho and Pierrot on page 9. These are really good. Beni Kocho should become as popular as Atom.

For years we've lacked an up-to-date book on gladiolus, but now Mr. Fairchild packs into his clear, non-technical pages the very latest data on growing, mulching, aiming for blue ribbons, propagating, dusting, spraying, hybridizing, fertilizing, and storing, illustrated with drawings, photos and

UNLABELED COLLECTIONS

The following collections are just the thing for those who don't care to keep the names of the varieties separate, but do want a nice garden of glads. I sell thousands of these collections every year and have a great many fine reports on them. If these bulbs were sold separately under name they would cost several times the price asked as collections. No extras or discounts on collections except as noted. They are very big value as is. Shipped prepaid.

These unlabeled collections are better than ever this year, with many new varieties in them never used before. You would be amazed if you knew some of the varieties in the DeLuxe and Super-Duper Collections.

EXTRA!! EXTRA!!

If you order \$26 or more worth of the collections I will put in free a bulb of a new 1955 introduction, of my selection, worth \$2. Considering the special prices on the collections this is a real offer.

TO PEOPLE WHO NEVER BUY UNLABELED COLLECTIONS

I wish to say that these collections contain many fine varieties that you might not ordinarily buy. You will be surprised and delighted and I am sure you would find the collections, especially the higher priced ones, real additions to your garden of labeled varieties. Better try some.

STAR COLLECTION No. 1. 100 assorted large bulbs (1 1/4 inch up) in about 40 varieties in many different shades and colors. I have sold this collection for years and have thousands of very well pleased customers. I POSITIVELY GUARANTEE THAT THERE IS NOT A BETTER COLLECTION SOLD BY ANY GROWER IN THE COUNTRY FOR ANYWHERE NEAR THE PRICE. The collection varies from year to year but always contains a great variety of colors and many fine varieties. I get many repeat orders every year from well pleased customers. 100 for \$6.00, with 50 at the same rate, 30 for \$2.00. With each 100 bulbs of this collection I will put in FREE 1 bulb of some other fine variety of my selection labeled, worth at least \$1.00.

STAR COLLECTION No. 1A. SAME COLLECTION IN MEDIUM SIZE BULBS. 100 bulbs for \$4.00, 50 for \$2.00. With 100 bulbs will give a free bulb worth at least 75 cents as in Star Collection No. 1.

DARK-COLORED COLLECTION No. 5A. Medium size. The same as No. 5 collection but may contain even more varieties than the No. 5. 100 for \$6.00 50 for \$3.00 25 for \$1.75

SUPER-DUPER COLLECTION No. 7. This is the last word in an unlabeled collection. It contains bulbs worth as much as \$1.00-\$3.00 each. Some of the very newest in a well rounded assortment as to color and form. 100 for \$25.00 50 for \$12.50 25 for \$7.50

ALL RUFFLES COLLECTION No. 9. Large. Here is an unlabeled collection of varieties that are all ruffled, rolled, fluted or lacinated. 25 varieties. The finest collection of this sort to be had. \$12.00 per 100, 50 or 25 at the same rate.

NONE OF THE ABOVE COLLECTIONS ARE LABELED AS TO VARIETIES. Don't ask us to give you the names of the varieties in the collections as we positively do not do it at these prices. If you want them labeled, buy them under name. I guarantee the collections to be the best you can buy for the price. There are no extras on these collections except as noted.

A New Strawberry Strafford

Originated by Dr. L. P. Latimer of the University of New Hampshire.

How we hate to see the last strawberries go. We look all over the field to find enough for just one more shortcake. Now we can have berries for at least two weeks longer and beautiful large ones too. The plant in the above picture had 28 stems of berries.

STRAFFORD is the King of late berries. Mr. Chandler from Maine who is growing the plants I sell says it is the only late berry that is a heavy yielder. Last season from about an acre he sold 4934 quarts. He picked the first July 5 and the last on July 29. It is a beautiful large berry, nice color, good flavor, firm texture, making a good shipper and a tremendous yielder. Mr. Chandler sends his berries to the Boston market where they bring a premium. I was at his place July 6 when he was getting 55c a quart wholesale. One retail dealer wanted to send his truck 200 miles to get each days picking. I have not fruited Strafford myself but I have some growing to fruit this year. They make beautiful tall strong plants and lots of runners producing a wide row. I am looking forward to these berries that will bear after the regular varieties are gone and before the Everbearers begin.

Mr. Chandler sends out the plants from his farm in Maine fumigated and packed perfectly. You never saw nicer plants. After receiving plants from some other growers I found his a revelation. Will ship during May. Order early to get early shipment.

1-99 plants 15 cents each. No orders for less than 15 plants. 100 and up 10 cents each.

Dry powder. Contains Spergon and 3% DDT to be applied to bulbs before planting, or after digging in the fall, to help control rot and thrips. LABELS

Everyone who grows bulbs under name will want labels. There are many different kinds on the market but I think the best cheap label is a painted wooden one. However, the wooden labels really should have a coat of varnish after the name is written, otherwise the paint will in time weather off taking the name with it. Prices are as follows, and subject to change without notice.
